Section A

Your program and the courses that lead to it are approved. You are eligible to receive assistance for 95% of tuition and eligible fees up to your yearly program maximum. **Based on your remaining budget, the maximum amount Amazon will pay is \$ 5,250.00.** The amount could change prior to this voucher being returned if you were reimbursed for books/fees in that time period. You are responsible for paying 5% of course tuition and fees (including books), and are solely responsible for all other fees or expenses incurred. **Please present this Tuition Voucher to your school's financial aid/cashier's office no later than the above listed due date.**

I, Teresa Lourdes Michael de understand the guidelines of the program and **that I am responsible for any ineligible tuition and/or fees.** I authorize the school to release graduation, grade, financial, and/or employment information including, but not limited to, employer, compensation, and hire date. For EU Countries: This payment is treated as personal income and is a taxable benefit. I will assess any impact to my personal tax or tax credits that may result from this payment. If the school or program name is altered in any way, this tuition voucher will become void.

By signing, the student agrees to the terms and conditions listed on **Page 3** of this voucher.

READ ONLY**Terms and Conditions**

The named student on **Page 1** of this voucher has been approved to receive assistance for the academic program listed above. This Tuition Voucher does not include late fees, admission tests, activity fees, meals, lodging, parking or other fees not associated with enrollment. The student is responsible for any costs which exceed their yearly Amazon Career Choice tuition budget. The student is responsible for knowing the current amount of Career Choice funds available to them.

The school **MUST** use this Tuition Voucher for payment. It **MUST** also be signed by both the student and school official. Failure to do so will result in an incomplete application and subject to non-payment. This Tuition Voucher must be processed within 45 days of the class start date, otherwise it may not be paid. If the school or course name is altered in any way, this tuition voucher will become void. Amazon will pay up to 95% of tuition and fees up to the remaining associate budget. The student is responsible for the remaining balance. In seeking payment under this Tuition Voucher, the student authorizes Amazon to access their education records. Additionally, the school agrees to verify or provide the student's ID on the voucher and to inform Career Choice of the student's graduation status when requested by Career Choice. The start date of classes must occur after the date that the student becomes eligible for Career Choice; if the start date is before the eligibility date, the voucher will not be paid. The student is responsible for knowing their eligibility date.
